VCCC

11 September 2015 1:02 PM

Hi David,

We have had an installation technician Ralf Orth here this week from the Symbioz plant in Germany, yesterday Bruce was kind enough to give us a thorough guided tour of the nearly finished VCCC project.

Ralf was amazed at the quality of the finish and the professionalism of your installers, he said in 30 years with Gerflor he has never seen a job this good and will be using it as an example of what can be done for his training at home.

We both wish they were all like this one.

Well done and thanks,

Stephen King | Technical Manager
